2. The betrayal of farmers :

Farmer suicides rose sharply during the Modi government's tenure. In its final budget, the BJP on the **demand of minimum support price** plus 50%, gave a version that satisfied no one. In parallel, the Modi government imported wheat and pulses without thought – leading to the prices of domestic produce crashing. Add to this – the ill-advised venture to amend the land acquisition Act of 2013; **to forcibly acquire the land of farmers.**

3. The questionable rewriting of the Rafale deal :
