## 1. Demonetisation :

This would be at the top of any list for its sheer lack of success and the widespread havoc that it inflicted on the economy. While being taught now as a cautionary tale in business schools overseas, it enjoys the unique distinction of having **failed on every one of its stated objectives** (combatting terror funding, fake notes and black money) while having wiped out jobs. Studies by noted economist **Arun Kumar** and the Centre for Monitoring Indian Economy continue to illustrate that we are not out of the woods yet.

## 2. The betrayal of farmers :
